CLIMATE CHANGE · Published March 3, 2023 3:04pm EST

Biden admin makes stunning admission on climate agenda in leaked internal memo

If a Cook Inlet prospect would be developed, there would be additional government revenues and greater energy security for the State of Alaska, especially if development of natural gas resources in the Cook Inlet ameliorated the long-term supply challenges facing the Anchorage area...

Nevertheless, because of the serious challenges facing the Nation from climate change ...BOEM is not recommending this option.

-Amanda Lefton, Bureaucrat and apparently Queen of Alaska

Who are you? Who? Who? Who? Who?
