Alaska's Minimum Labor Standards Initiative

1

Increases minimum wage to \$2 above federal standard. After 2027, the minimum wage shall be adjusted annually for inflation. Tips may not be included.

2

All employers are required to provide sick leave. Seasonal employers are not exempt. Hours must roll over as dictated.

3

Employers may not require employees to “receive communication” if topic is religious or political and does not directly relate to the workplace.
